Recycling Station Interface:

- Default

A screenshot of a macOS-style window titled "Eco Recycle System (Admin View)". It features a light gray background and standard window controls (red, yellow, green buttons) in the top-left corner. The main content area displays a welcome message in red text: "Welcome to Recycling Station!" and "Please select an option to proceed". To the right of the text is a dropdown menu labeled "Select Operation" with a blue arrow icon.

Welcome to Recycling Station!
Please select an option to proceed

Select Operation 

- Add RCM

The screenshot shows a web application window titled "Eco Recycle System (Admin View)". The header area contains a welcome message in red: "Welcome to Recycling Station! Please select an option to proceed". To the right of the message is a dropdown menu labeled "Add/Edit RCM". Below the header, there is a section with a dropdown menu labeled "Add RCM". Underneath this, there are four input fields labeled "Id", "Location", "Max Weight", and "Money". At the bottom of this section is a "Save" button.

- Edit RCM

The screenshot shows the same web application window, but now it is in the "Edit RCM" mode. The header message remains the same. The dropdown menu now shows "Edit RCM" and "100". Below this, the input fields are pre-filled with values: "Id" is 100, "Location" is Santa Clara, "Max Weight" is 100.0, and "Money" is 1000.0. The "Save" button is still present at the bottom.

- Empty RCM

The screenshot shows the same web application window, but now it is in the "Empty RCM" mode. The header message remains the same. The dropdown menu now shows "Remove RCM". Below this, there is a section with a dropdown menu labeled "Remove RCM" and a "Remove" button.

- Track RCM Status
